

Greenbriar Place Homeowner's Association Yearly Dues

Greenbriar Place is your neighborhood, and is incorporated as a Home Owner's Association. It is governed by officers elected by the community. These offices consist of President, Vice President, Secretary, and Treasurer. Board members and committee members are also elected, and volunteer from the Home Owners. Yearly Homeowner's meetings are conducted in the Spring to nominate and elect new officials, discuss day to day operations, overview financials, and potentially vote on current issues.

Yearly fees for our homeowner's association are due July 1st of every year and are delinquent by September 30th for that year. These dues contribute to insurance, landscaping of common areas, irrigation of landscaping, and electricity to our entry sign and sprinkler system. The dues also contribute to beautification and general upkeep of our neighborhood, and other expenses or unexpected costs that inevitably occur.
